#### VISITING SPEAKERS

Individual faculty members and Chairmen should inform the Information Office of any plans for visiting speakers, so that information may be included in an early Newsletter to all faculty members.

#### CURRENT TV SHOWS OF INTEREST

It has been suggested faculty members watch the weekly TV guide with a view to informing other faculty members (through the Newsletter) of programs of special interest to students. The TV guide is usually out a week in advance, but distribution is not always dependable to outlying centres on a non-subscription basis.
